Community Association

The **Entry and Exit Gates** at the 38th Street will be closed to **all** traffic on Thursday, January 9, 2020 from 6am until 4pm. The closure will allow Coachella Valley Water District's contractor to perform potholing of the utilities at that gate area.

All other gates will be accessible. Alternate access from Adams Street will be the Sunrise Mountain Gate.

We apologize for the inconvenience and appreciate your cooperation.
