

COACHELLA VALLEY WATER DISTRICT
WATER BROOM APPLICATION
COMMERCIAL, INSTITUTIONAL, HOTELS/MOTELS, SCHOOLS

ABOUT THE PROGRAM

The Coachella Valley Water District (District) is purchasing and installing water brooms and educating customers for the use of these devices. Water brooms have high-pressure nozzles that assist in cleaning areas that require water for cleaning areas to a level of Health Code compliance.

Water brooms use approximately 2 gallons per minute (GPM) compared to a traditional hose and nozzle which consume approximately 8-12 GPM.

TERMS AND CONDITIONS

ELIGIBILITY

1. All participants must be a Coachella Valley Water District customer and the property owner of the installation site.
2. The applicant must have an account in good standing with the District.
3. The participant is required to clean hardscape areas for health code compliance to apply for water broom program.

CONDITIONS

1. The District has purchased a limited number of water brooms for the program. These are available on a first-come, first-served basis until supplies and/or funding are exhausted.
2. The District or its representative will install water brooms and train the applicant on proper use. Regular maintenance and care of the water brooms is the responsibility of the participant.
3. The participant must be present for the pre-inspection and installation site visits.
4. The participant has read and agrees to the conditions set forth in the following disclaimer:

Neither the Coachella Valley Water District, nor their contractors or agents, makes any representation or warranty regarding the water brooms utilized in this program. By participating in the program, you waive and release the Coachella Valley Water District, and its contractors and agents, from any and all claims and causes of action arising out of the installation or use of the water brooms in connection with the Water Broom Program. Any claim you may have based upon any defect or failure of the performance of the water brooms with this program are to be pursued with the manufacturer.
