Guidelines

The rebate funds have been reserved and award is contingent upon the successful completion of the well destruction or controlled artesian conditions and of all the rebate program requirements including:

- Applicant must be the property owner.
- Applicant must grant CVWD access to well for pre and post project inspection of well and surface conditions.
- Applicant must provide invoices, receipts, and proof of payment to support the rebate award.
- Applicants will be required to implement a Mosquito Reduction Best Management Plan.
- Applicants who pump more than 25 acre-feet per year must execute a water production metering agreement, install water meters, and begin reporting groundwater production.
- Well destruction, if applicable, will be permanent and will result in the well becoming unusable for future uses.
- Well destruction will be in accordance with County of Riverside Ordinance 682, and DWR Bulletin No. 74-81 and 74-90.
- All rebates (i.e. awards) over \$600.00 require the completion and submittal of a W-9 Request for Taxpayer Identification Number and Certification form. CVWD will use the applicant's W-9 information to issue a 1099-MISC Miscellaneous Income form to the Internal Revenue Service (IRS) and award recipient on or before January 31st of each year. All individuals or entities are obligated to report awards to the IRS which may have tax implications.
- Submittal of the County of Riverside Department of Environmental Health Well Drilling Permit copy (required for all well destructions).
- Submittal of the Well Completion Report copy (required for all well destructions).
