

COACHELLA VALLEY WATER DISTRICT
ENGINEERING DEPARTMENT - PREQUALIFICATION LIST

The Coachella Valley Water District owns, operates, maintains, repairs and makes connections to the community sewers within its service areas.

In December 1990, the board of directors of the Coachella Valley Water District adopted Ordinance No. 1222 allowing customers to secure a private contractor to make the connection between the customer's house lateral and the District's main sewer line in the street.

The ordinance requires that the contractor meet certain qualifications such as minimum insurance limits and demonstrated quality of work.

In an effort to assist in the selection of a contractor, we are providing the following list of contractors who have been prequalified to perform sewer connections to District sewer lines. Other contractors may become qualified and the list will be updated.

The contractors listed below have submitted satisfactory insurance and certificate of deposit information to the District.

Contractor	Address	Telephone
Alms Underground Construction	38-703 Vista Drive Cathedral City, CA 92234	(760) 324-1911
B. L. Wilson Backhoe Service	80-340 Avenue 43 Indio, CA 92201	(760) 347-6946
Black Gold Builders Group	42270 Spectrum Street Indio, Ca 92203	(760) 396-9260
