

COACHELLA VALLEY WATER DISTRICT E-NEWSLETTER

Construction update for May 11-15

The new pipelines along Avenue 38 and Brandywine Avenue have been flushed, disinfected and tested, clearing the way for about 50 homes in Phase 1 to be switched over to the new water system this coming week.

The work will be conducted on Monday and Tuesday, May 11-12, and additional information has been sent to the residents whose homes will be impacted.

Throughout the week, Gorham Lane between Fallbrook Avenue and Clear Sky Way will be closed to through traffic. As always, residents will be able to access their properties.

Please remember: Construction is on summer hours – **6:30 a.m. to 3 p.m.**
