

# COACHELLA VALLEY WATER DISTRICT E-NEWSLETTER

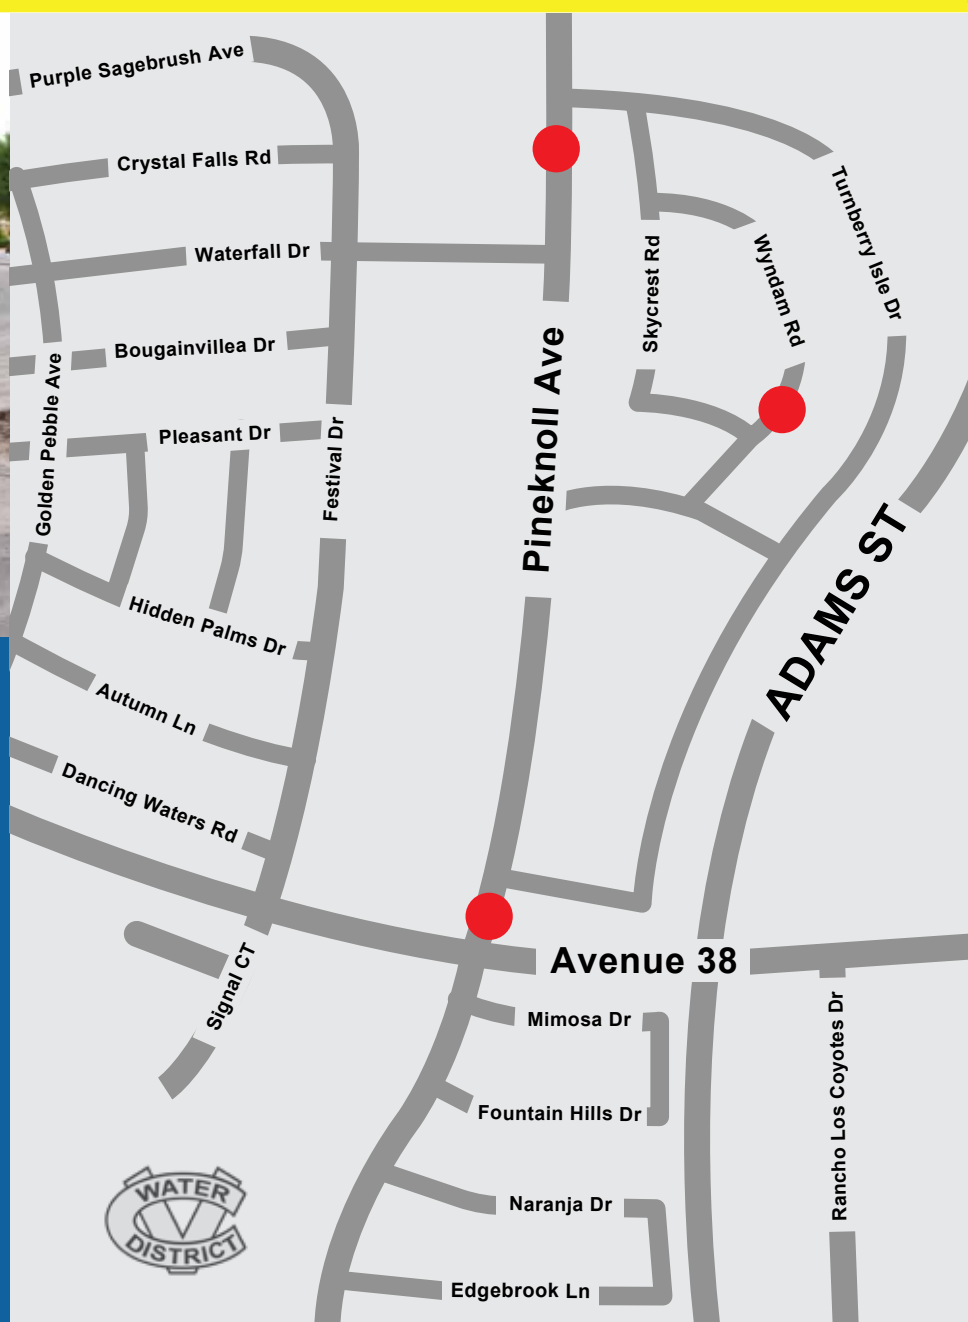

## Construction Update for January 11-15

**BEGINNING MONDAY, JANUARY 11**, the 54 customers on Pineknoll Avenue, from Avenue 38 north to the greenbelt, will be switched to the new system.

Homes will be without water service for up to 2 hours as the connections are made. Residents will be notified at least 48 hours in advance with a door hanger so they can prepare for the shutoff.

**THIS WEEK**, crews will also be installing mainline on Wyndam Road and the eastern half of Silver Lake Terrace.

### ATTENTION!

#### PLEASE RETURN THE PROPERTY DAMAGE RELEASE FORM

Homeowners in areas where construction is complete have been sent a Property Damage Release Form to certify their property and landscaping have been returned to pre-construction condition.

If you have not received the form, contact Corrie Pettit at DCI Construction, [CORRIE@DOWNINGCONSTRUCTIONINC.COM](mailto:CORRIE@DOWNINGCONSTRUCTIONINC.COM) or 909-797-7444.

### Mail Deliveries

Mail for homes in the construction area will be delivered the following day to the Sun City Postal Center, where it will be held for pick up. Any mail delivery deemed undeliverable will be available at the Postal Center the following day.

The Postal Center is located in the Mountain View Clubhouse at Avenue 38 and Del Webb Boulevard and is open **Monday through Friday, 9 a.m. to 3:30 p.m.** For more information, please contact the Postal Center at 760-200-2236.

### About the SCPD Pipeline Replacement Project

Coachella Valley Water District is replacing ductile iron pipelines throughout the community that are failing because of soil corrosion. The 10-year project includes new water mains, water service laterals, valves, fire hydrants and street paving.

**THE WORK WILL IMPROVE WATER RELIABILITY FOR THE  
COMMUNITY BY REDUCING MAIN BREAKS AND  
EMERGENCY REPAIRS.**
